Panel discussions

There will be four panel discussions with renowned experts in the fields of child justice and climate law. We'll be addressing the following topics:

- State of Play in Europe: The impact of Climate Change on Children's Rights
- Children and their Legitimacy to Defend their Rights
- Enabling Environments for Children to Claim their Rights

- Embracing Children's Diverse Profiles and Situations in Addressing Climate Justice

Film screening and discussion

Join us for a special "ciné-débat" to kick off our seminar! We'll be screening the documentary "Planet B" followed by a discussion with the director, Pieter Van Eecke, and Bo Vanhoorickx, one of the film's protagonists. The film captures the spirited friendship between Bo and Luca, two teenagers passionately committed to ecological activism and their search for identity amidst a planet in crisis.
